

From

Additional Chief Secretary to Govt. of Haryana  
Health Department

To

All the healthcare institutions in Haryana  
Registered under Clinical Establishment Act, Haryana

Memo No.: 3PM/COVID/2021/1776-1971

Dated: 06.05.2021

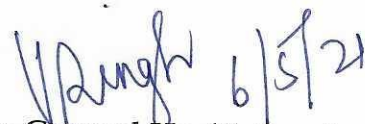

**Subject: For ensuring adequate supply of Oxygen in the hospitals across State of Haryana.**

\*\*\*\*\*

In view of the recent COVID-19 surge, the number of COVID cases requiring hospitalization and accordingly the demand of oxygen for hospitals have increased manifold. Therefore, additional infrastructure for production of Oxygen is required in all the hospitals registered under Clinical Establishment Act in the State i.e. the hospitals having more than 50 beds, in addition to the present arrangements for supply of Oxygen.

2. It is to apprise that the State Government has implemented 'Haryana COVID Emergency Credit Scheme' vide Gazette Notification No. 28/17/2021-5B&C dated 23.04.2021, wherein the existing and new entrepreneurs would be facilitated either to increase the production of existing notified essential supplies, such as oxygen supplies, medicines, etc. or to setup new notified essential facilities for which the Government would provide assistance through this scheme (copy enclosed).

3. It is hereby directed that all the hospitals registered under the Clinical Establishment Act in the State shall mandatorily install Oxygen Generation Plants in their hospitals, **within 6 months**, which will equip them to provide better healthcare services, especially in the current emergent situation. To meet out the expenses for such project, the hospitals may avail this scheme.

**Director General Health Services**  
for Additional Chief Secretary to Govt. of Haryana  
Health Department

Endst. No.: 3PM/COVID/2021/1972

Dated: 06.05.2021

A copy is forwarded to the **President, IMA, Haryana** with a request to circulate the copy of the Credit Scheme to make the maximum benefits of the scheme and also to ensure that all the Keepers of healthcare institutions having more than 50 beds to install Oxygen Generation Plants in their hospitals.
